This information is to be filled out in ink.

This affidavit must be carried to all games, and signed by both managers at the completion of the game. The record of each pitcher used in a game shall be entered below. This record must be completed immediately showing each game, as the eligibility of each pitcher will be determined by it. The column heading "Number of innings pitched" should indicate the number of innings pitched while the pitcher is pitching. The pitching of one pitch constitutes an inning pitched. If the team shows up without the Affidavit, the game will be played and reported to the President of the League, who will suspend the offending Manager one game. 2<sup>nd</sup> infraction will be termination of the Manager.
